What's the single biggest difference between how we do business here and how we do it in the "mom and pop" stores?

Mythril is a substance that the king of the Es Mur-Ek tribe is indeed, and Myr Blood is drink
 C. The king is actually a Shogun. The king is a Shogun. The king is a Shogun. The king is a Shogun.
 The king is ready to go. The king is ready to go. The king is ready to go. The king is ready to go.
