For Whom the Bell Tolls

Finishing touches on Monday 21st May 2007, for the Angelus to ring at 6pm on the following day - first time in 43 years?

Local 'height for hire' enthusiasts, whose help was invaluable: Dermot Casserly and Ronnie Owens

. . . the skilled men who made it possible, l to r, Mick, Brian and Dermot

Owen Seely, Ocatronics Ltd

J. Murphy Ltd, Foundry, makers of the bell

...is watching us...from a distance!

Congratulations, gentlemen, from all parishioners.
