

A Prayer to St Patrick

We ask you, fair youth, to return to our aid once more,

and to pray to God, Most High,

along with all the Irish saints,

and those from every family who have gone before us,

marked with the sign of faith,

that we can be set free from the errors of materialism, ideology and unbelief.

Help us, great Saint, especially those who rule us,

whose reference point is often solely popular opinion,

that we might not fall into error.

Consecrate us in the truth, especially about family,

and pray for us to God Most High,

through Christ Our Lord, AMEN
